

## Message from your host

What an incredible 17 years I've had here. With every year that passes, we face many obstacles and challenges, yet we are still here to celebrate another beer festival with you.

This is because of the village, my team and my family. The support from you; our regulars, the local community, and each new customer who finds us their way to us and returns, means everything to me.

We've achieved many wondrous things this year & intend to keep doing so.

I hope you'll enjoy our 17th festival as much as we've enjoyed planning it.

And so, Cheers, here's to you, 'A village that's behind it's local pub.' Enjoy the beer, cider, music, events and food. Until next time, Mary, Landlady

**Please do give generously to support our chosen causes**

**Eastry Young People's Club and Eastry Football Club**

Follow us on social media, or ask one of the team for information on forthcoming events. We are always planning something.

If you've enjoyed your visit please tag us in your social media posts and leave us reviews on Trip advisor and Google. Thank you.
